

Peer Review Template for the working app

Peer Review carried out by: (name) Mike Holt

Date: 06-January-2020

Task conducted: (Please enter the user story)

A working café app demo

Was the task easy to carry out? (If no or not really, please say why)

It was easy to carry out the task

Did you encounter any errors? (If yes, please explain what)

Error in the app where found. Spacing problems with words missing of screen, price amounts not

Showing and on some pages the nav buttons didn't work

Did the author have to explain how to use anything? (If yes, what?)

No it seem good to pick up and use.

Did you gain any inspiration for your own practice? (If so what?)

The pictures of the food were great and I will need to follow that.

What constructive advice would you give the author for presenting their work/code in future?

To fix the problems found and try to follow a natural colour from page to page.
